MAY 4, 2020

Indraveer Singh
Defence Minister
CCC

To whom so every it may concern,

It gives me immense pleasure to inform you that Indraveer Singh has performed exceedingly well in this conference. His efforts in the willingness to learn as well as the research done and the well-versed knowledge that was displayed throughout the conference is truly commendable, as it definitely played a role in making IPMUN Digital Conference 3.0 such a great success.

Indraveer Singh's efforts and contribution towards this conference is highly appreciated and I, on behalf of International Peace MUN, would like to thank him for his contribution.

Without Indraveer Singh's tremendous support and cooperation this conference would not have achieved a success of this magnitude on such short notice. The support and understanding shown even during the technical glitches and internet issues really reflected on how responsible and cooperative he is.

Also, the Secretariat, the Executive Board and the whole team of IPMUN appreciated the enthusiasm of the Recipient to learn new things and keep an open mind to new ideas and information. Hope to see him in many more such conferences to follow.

Warm regards,

Vasu Patel
